

# BENYAPA MONCHATREE

## About Me

Hello, my name is Benyapa Monchatree, and my nickname is Mind. I am now a 3rd year student at King Mongkut's University of Technology North Bangkok, in the Bachelor of Science Program in Mathematics with Computer Science. I am interested in internships that involve information technology (IT), programming, and data, with a particular focus on UX/UI design, business analysis (BA), and system analysis (SA).
